Goodwill Hosts Ribbon Cutting for New Tehachapi Store and Donation Center

Tehachapi, CA – Goodwill Industries of South Central California is excited to announce the ribbon-cutting celebration for its new Tehachapi store. This milestone marks an important step for Goodwill and the Tehachapi community, offering new opportunities to shop and support the creation of local jobs.

Goodwill's mission is to create job opportunities for individuals who face challenges in finding employment, while promoting sustainability by keeping products out of landfills. Located at 655 Tucker Road, Suite B, Goodwill's Tehachapi location offers residents an affordable and sustainable new place to shop while giving clothing and goods a second life.

This new 7,000-square-foot store is Goodwill's first and only location in Tehachapi, featuring nearly 20,000 clothing items and more than 10,000 housewares on the sales floor. It's designed to provide the community with a clean, well-maintained, and welcoming shopping environment that reflects local values. Additionally, the store will create 17 full-time jobs, helping Goodwill expand its mission and better serve the community.

CEO of Goodwill Industries of South Central California, Jake Slayton states "Opening our first Tehachapi store is an exciting milestone for Goodwill and a meaningful investment in this community. We're proud to offer a new, affordable, and sustainable place to shop while creating 17 full-time jobs that move our mission forward."
